

PUBLIC ENGAGEMENT UPDATE

February 2023

It's already February and love is in the air! Sure, Valentine's Day is coming quickly, but what we really love is hearing from people just like you, who participate in public engagement.

We love it when you share your feedback and ideas. Your participation helps shape our communities – and our entire region.

Subscribe to [Participate Wood Buffalo](#) for email notifications and keep in the loop about all of the opportunities to share feedback about municipal projects.

New!

[Annual Policing Priorities](#)

Tell us in this brief survey what you believe RCMP should prioritize for their 2023 - 2024 fiscal year.

The survey launches on **February 6, 2023**.

An open house event will be held in the Spring to announce the new priorities and answer questions you may have. Watch for details!

[Downtown Area Redevelopment Plan](#)

The Downtown Area Redevelopment Plan is all about downtown redevelopment guidelines for the next 10 years. It establishes a vision and recommendations on things like bike lanes, road connectors, or parks for you to enjoy.

The plan should reflect current needs in the region – that's where you come in! We need to hear from residents to understand if what you see in the draft ARP is the potential you envision for the downtown area. Engagement opens **February 13, 2023**.

Take the quick survey to let us know what you think!

Continuing...

[Ask a Cop a Question](#)

What would you like to ask a cop? This engagement offers youth a chance to talk with officers on topics that matter to them, in a format that promotes healthy relationships between officers and youth. The campaign continues until **March 15, 2023**.

[It's Time to Read - Moved](#)

As we kick off the book club for 2023, we're also proud to be announcing a big move! Based on feedback from participants, we have moved to [Facebook](#). Follow along there for updates and discussion, as well as links to our new virtual meetings. Not on Facebook? No worries! We will continue with our email newsletter. Email trc@rmwb.ca to be added to the new list.

Thanks!

Thank you for taking the time to share your thoughts on how we can make Fort McMurray Wood Buffalo an even greater place to call home.

Stay tuned as we wrap up more projects and share with you what we have heard.
