

# PUBLIC ENGAGEMENT UPDATE

May 2023

Now that we've shaken off the snow and ice, it's time to warm up and switch to a new season.

Public engagement opportunities will be kicking off early this month at the Spring Trade Show, as part of the [Community Engagement Series](#). Be sure to stop by for a visit, and you could win a Nintendo Switch.

There are also signs of an unveiling later this month for the Rotary Club's Point of Entry Sign. Or you could attend the ribbon cutting for the Christina Gordon School Inclusive Playground.

Speaking of signs, Construction Season is ramping up and you'll start to see more signs around the region as crews build and maintain our communities. Check out two online tools to help you stay ahead of the curb on construction: 1) Subscribe for construction email updates or visit the construction map to see what's happening and where. Find all the tools you need at [rmwb.ca/construction](http://rmwb.ca/construction).

You can also subscribe to [Participate Wood Buffalo](#) and keep in the loop about all the opportunities to share feedback about municipal projects. Subscribe by **May 12<sup>th</sup>** for your change to win a Nintendo Switch!

## New!

## Thanks!

Thank you for taking the time to share your thoughts on how we can make Fort McMurray Wood Buffalo an even greater place to call home.

### igNIGHT Artist Information Session

[rmwb.ca/publicart](https://rmwb.ca/publicart)

The igNIGHT artist information session took place on **Thursday, April 13** to provide potential applicants a better understanding of this year's design theme, share site information and additional resources available to support the application process. Nine artists joined the virtual information from across Canada including Winnipeg, Calgary, Toronto and Colwood, BC. A recording of the session is available online.
