

PUBLIC ENGAGEMENT UPDATE

June 2023

Summer is days away, and it's a perfect time to shed some (sun)light on public engagement.

Thank you to those who came to visit us at the Spring Trade Show in May at MacDonald Island Park. Over the weekend, there were over 3,000 engagement interactions. Residents were invited to sign up for this newsletter you're reading now! Those who signed up were entered in a contest to win a Nintendo Switch. Congratulations to the lucky winner.

You can subscribe to [Participate Wood Buffalo \(rmwb.ca/participate\)](https://rmwb.ca/participate), our online public engagement platform. Stay in the loop about all the opportunities to share feedback about municipal projects.

New!

[Gregoire Skate Park](#)

Following a request from Greely Road School students, the Municipality is checking in with residents to better understand community interest for a **potential** skate park in Gregoire. [What do you think?](#)

Continuing...

[Community Engagement Series](#)

Join us in Gregoire at Greely Road School on June 23 from 4PM-6 PM to chat about your neighbourhood! All neighbourhoods welcome.

Construction Season

Construction Season is in full swing, and you'll see more signs around the region as crews build and maintain our communities. Check out **three online tools** at rmwb.ca/construction to help you stay ahead of the curb on construction:

- 1) Check out construction projects by community;
- 2) Click the highlighted lines on the construction map to see what's happening and where;
- 3) Subscribe for construction updates to get emails when we post new notices and information. Find all the tools you need at rmwb.ca/construction.

What we heard!

Saprae Creek Estates Pedestrian Trail and Beautification

The What We Heard Report is now online. See the report and find out what residents of Saprae Creek Estates had to say about the project [here](#).

For the full library of What We Heard Reports please visit participate.rmwb.ca/why-engage.

Thanks!

Thank you for taking the time to share your thoughts on how we can make Fort McMurray Wood Buffalo an even greater place to call home.

To learn more about the next steps for these projects, subscribe to the project page, and you'll get notifications as new information becomes available.

This information is current at time of publication.
