

PUBLIC ENGAGEMENT UPDATE

July 2023

Even though June was a little rainier than expected, July is the perfect time to get caught up on public engagement opportunities. Come rain or shine, you can go online to learn about what you and your neighbours had to say during past engagements.

Throw caution to the wind and subscribe to [Participate Wood Buffalo \(rmwb.ca/participate\)](https://rmwb.ca/participate), our online public engagement platform. Stay in the loop about all the opportunities to share feedback about municipal projects.

Continuing...

Construction Season

Sometimes roads and sidewalks are closed during construction, but remember, if you see construction in a commercial area, businesses are still open. Subscribe for construction updates to get emails when we post new notices and information. Find all the tools you need at rmwb.ca/construction.

What we heard!

Downtown Area Redevelopment Plan

The What We Heard Report is now available for you to learn what people had to say about the draft Plan. Engagement highlights include 1,055 meaningful engagement touchpoints through virtual, online, and in-person opportunities, and an additional 404 interactions at pop-up events. rmwb.ca/arp

Neighbourhood Engagement Series

June 23, we held a Neighbourhood Engagement in Gregoire and connected with 87 residents. During this engagement we shared the location of their requested recycling bin, provided updates about a construction project in their community and chatted about their interest in a **potential** skate park in Gregoire. Thank you for joining us!

For the full library of What We Heard Reports please visit participate.rmwb.ca/why-engage.

Thanks!

Thank you for taking the time to share your thoughts on how we can make Fort McMurray Wood Buffalo an even greater place to call home.

To learn more about the next steps for these projects, subscribe to the project page, and you'll get notifications as new information becomes available.
