

PUBLIC ENGAGEMENT UPDATE

September 2023

Looking for ways to get involved in your community? The latest dates have been announced for the [Neighbourhood Engagement Series](#). It's the perfect time to [join a board or committee](#). Use your strengths, passion and experience to be a part of the changes you'd like to see in your community.

There will be a Public Hearing for the Downtown Area Redevelopment Plan and you're invited to share your thoughts for Council's consideration. As always, don't forget to subscribe to [Participate Wood Buffalo](#) (rmwb.ca/participate), our online public engagement platform. Stay in the loop about all the opportunities to share your feedback about municipal projects.

NEW

[Wood Buffalo Way - Drainage Improvements](#)

Do you live on Wood Buffalo Way? Join us on **September 6 or 7** for an in-person engagement about overland drainage improvements in your neighbourhood. Municipal staff will be available to talk with you. Or participate online [here](#) until **September 11**. Complete a short survey, use the map tool to point out specific locations, and share your experiences with overland drainage on Wood Buffalo Way.

[Recruitment is open for Council Appointed Board and Committee members!](#)

Sixteen (16) boards and committees are now accepting applications until **October 23**. Membership requirements vary depending on the board or committee. To learn more, view the position descriptions at rmwb.ca/boards or join us at an information session on **October 2 or 4** at 6 p.m. in the lobby of City Hall (Jubilee Building, 9909 Franklin Ave.).

Continuing...

Anzac Church Memorial

Help pay tribute to an Anzac landmark by creating a common gathering space that commemorates the community's historic church site and its deep roots in Anzac/Willow Lake.

Review three conceptual designs for the Anzac Church Memorial until **September 14**. Click [here](#) to fill out the survey and learn more ways to participate in this project.

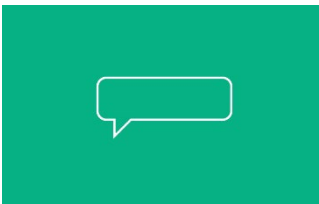

Construction Season

It's construction season and sometimes roads and sidewalks need to be closed. But don't let that stop you from supporting local businesses. If you see construction in a commercial area, remember that businesses are still open. Watch for any posted signage to help guide you to open businesses in construction zones. Visit rmwb.ca/construction to see where work is happening in the community.

Neighbourhood Engagement Series

Join us for a conversation on all things related to your neighbourhood at the upcoming stop of the Neighbourhood Engagement Series. We will be in Parson's Creek on **September 27** from 4 - 7 p.m. Share what matters most to you while enjoying some delicious burgers.

Public Engagement Pop Up

Discover how you can make a positive impact in your community by stopping by the RMWB booth at the Fall Trade Show. The Public Engagement team will be there to provide information on how you can get involved and help build a more dynamic, healthy, and welcoming region. We look forward to seeing you there!

 **September 22-24:** Fort McMurray Fall Trade Show and Artisan Market
