

PUBLIC ENGAGEMENT UPDATE

October 2023

Public engagement opportunities are falling into place as we get into October. But first, we'd like to thank all of you who visited us at the Fall Trade Show at MacDonald Island Park.

Over three days, nearly 2,700 people stopped by for conversations about joining a board or committee, employment and volunteer opportunities, the Neighbourhood Engagement Series, and registering for our newsletter for a chance to win a Nintendo Switch. We even enjoyed a little trash talk while you shared feedback about the Solid Waste Management Plan (participate by October 31 to win even more prizes – more details below).

Subscribe to [Participate Wood Buffalo \(rmwb.ca/participate\)](https://rmwb.ca/participate), and take your public engagement experience to the next level.
