Heritage Resources Management Plan

Two interactive engagement sessions are taking place in August to inform the Heritage Resources Management Plan. Join us **August 1** at Heritage Village to celebrate Heritage Day! Participate in the Local Places of Interest activity to help the Municipality in creating its first-ever Heritage Resources Management Plan.

Elders are invited to take part in a special engagement at Heritage Village on **August 11**. Enjoy Bannock and tea, share what you'd like to see passed on to the next seven generations, and learn more about the development of Heritage Society's Indigenous Village. Visit [here](#) to find out how you can get involved in this exciting plan.

Wayfinding

Thank you for sharing your feedback during the first phase of engagement on a regional wayfinding strategy and a detailed plan for downtown Fort McMurray and the waterfront area. We'll be returning in September to get your input on signage prototypes. Your input will help develop guiding principles that are inclusive of everyone in Wood Buffalo. Stay tuned for future opportunities to provide feedback, and learn more about the project at rmwb.ca/wayfinding.

2022 Construction Season

Let us do the heavy lifting this construction season. Subscribe for construction updates and we'll send concrete information to you, to help reduce inconveniences due to construction impacts. Recently Completed

Thank you for taking the time to share your thoughts on how we can make Fort McMurray Wood Buffalo an even greater place to call home. Here are the results of our recently completed engagements:

Ask a Cop a Question: Rural Communities

In April, rural communities provided their community policing questions. Community influencers were chosen who gained answers for their communities through a community panel discussion with the Wood Buffalo RCMP. The communities of Anzac, Conklin, and Janvier each recorded the conversations that took place. To watch visit participate.rmwb.ca/community-policing.
