

PUBLIC ENGAGEMENT UPDATE

October 2022

The leaves are changing colour and fall is approaching. It's the perfect time to harvest feedback on municipal projects happening across the region.

Thank you to everyone who came to visit the Municipal booth at the Fall Show and Artisan Market from September 23 - 25. You asked questions for Mayor Bowman, you signed up for construction updates to get entered to win an e-scooter, and you enjoyed some delicious coffee from Wood Buffalo Coffee Company.

You also had a chance to see the Wayfinding sign prototypes – and many of you told us that you've also seen the prototypes out in the community – you reached out to us to talk about Reach 6 permanent flood mitigation, and much more. Thank you for making the Trade Show a huge success.

Keep an eye out for us in October as we continue to take part in rural community gatherings and be sure to stop by one of the Community Coffee Chats we'll be hosting in Fort McMurray. Subscribe to [Participate Wood Buffalo](#) for email notifications and get updates about the projects that matter to you.
