

# PUBLIC ENGAGEMENT UPDATE

November 2022

Autumn is upon us and plenty of public engagement opportunities are falling into place this November.

This month, Community & Neighbourhood Engagements are scheduled for twelve different neighbourhoods around Fort McMurray. Drop in for a coffee and find out what's happening in your neighborhood. Visit [Participate Wood Buffalo](#) for the schedule of dates and locations.

In late November, Administration will be presenting the 2023 Municipal budget for Council's consideration. It's also an opportunity for you to speak to Council as a delegate. This means you can watch the budget meetings online at [rmwb.ca/council](#), or become a delegate and share your thoughts about the proposed budget. Learn more about the municipal budget at [rmwb.ca/budget](#).

Subscribe to [Participate Wood Buffalo](#) for email notifications and keep in the loop about municipal projects that matter to you.

## Recently Completed

Thank you for taking the time to share your thoughts on how we can make Fort McMurray Wood Buffalo an even greater place to call home.

### Fall Show and Artisan Market

We had 344 conversations on numerous engagement campaigns while enjoying a coffee and a treat with resident. There were interactive components like "Ask the Mayor", a draw to win an e-scooter (construction updates registration), large-scale wayfinding prototypes, information about the winter maintenance zone and boards/committees recruitment campaigns, and an opportunity to provide feedback on reach six flood mitigation.

### 2022 Construction Season

Thank you to everyone who signed up for construction updates and entered the contest for a chance to win an e-scooter or one of three \$100 prepaid Visas. 533 subscribers were entered into the draw and the prize winners were announced on November 1 through a Facebook Live event. See the first names of the winners at [rmwb.ca/construction](#) and check your email if you see your name.

### Community Policing Office

On October 27, 2022, we helped celebrate the grand opening of the new community policing office downtown. The event included a prayer from Elder Lorraine Albert, and speeches from RCMP Officer-in-Charge, Superintendent Mark Hancock, and Mayor Sandy Bowman, discussing community safety and police visibility downtown.

Stay tuned as we wrap up more projects and share with you what we have heard.
