

REGIONAL MUNICIPALITY
OF **WOOD BUFFALO**

MDP HIGHLIGHTS

The Regional Municipality of Wood Buffalo is replacing the previous **Municipal Development Plan (MDP)** from 2011. Since then many changes have occurred in our region including social, cultural, and economic factors. With changes in our region comes the opportunity to adapt and pivot to make our region successful within the current environment. The MDP sets a vision and blueprint for how growth and development will occur with the community for the **next twenty years**.

How does this affect you?

- Defines how the region will grow, impacting how residents live and work.
- Understanding priorities for individual communities with the RMWB.
- Allows a sense of community ownership.
- Supports planning for future development and business.
- Policies for promoting in-migration.
- Supporting local economic development with Indigenous partners.
- Attracting and retaining the residents.
- Promotes community well being.

Vision

A flourishing region and community of choice with a strong sense of identity, history, and optimism, to call home, today and tomorrow.

Approach

A Place and Community Based Approach will focus on the people of this region and how it relates to local values, and opportunities.
