## **EXECUTIVE SUMMARY**

The Regional Municipality of Wood Buffalo (RMWB) is exploring the possibility of outdoor exercise equipment in numerous rural communities. Outdoor exercise equipment provides various fitness tools for different ages, fitness levels, and comfort to strengthen health and wellbeing in communities.

Engagement occurred from October 27 to December 10, 2022 through online survey, paper survey, and in-person community engagements in numerous rural communities. The survey results within this report provides the individual community interest levels for the outdoor exercise equipment.

All feedback will be reviewed and considered to assist in determining a direction forward with the feasibility study.
